My dear Sam,

I am this morn'g just up from Aberson where
Mamma is still alone at nights unless I go down, as
Edith will not go down with the children for two
or three days yet. Mam. is well and enjoying
the spring beauty there but the spring is late & cold.
I was just starting down Sat'y aft. when you set of
I came to see Hans I am now reading it.

As I understand the purchase from Herr it lets
him out entirely as a stockholder which is perhaps well.
I do not remember that the Co. is carrying stock for
any one else and Wm. Humphrey & Co. are I now
know is the only left in the first pool that I sh'd
are to now buy out and I sh'd like to know more
thine first. Who is he? would it be well to get rid of him?
The 5000 from Herr necessarily remains in the trust -
the 3000 . . . you hold for the present - and the
5000 shares I think you should have a certificate
for in your own name and hold them thus for the
present. They have no place in the C. C. S. - M. pool
and there is no reason that they sh'd stand in
Woodward's name as trustee and by remaining there

they might cause complications and cause annoyance, under proceedings, to the Judge. They are subject to assessments due to eastern parties just as the 2000 shares are subject to amt paid by that Co. If I am wrong in this latter matter rest until further communication or write me your views.

I bought stock into the 20000 pool to take the place of this 10000 shares which was held out by Cornell. I would not write to the Dollys - but if they come to you take the stock on basis I have already written. Do not go beyond 25 cts per share. We shall have to assess again in June & that will call for some movement on their part.

I hope you are free from all snow by this time and that you will soon have some fair spring weather. I trust that George's hand is better. Give him my kind regards. I had a letter from Williams Sat. last, written at Tombstone. Better send me a note or notes for the balance of the 7000. and I will send you S. F. checks for the amt to be used as needed.

All around here as well as usual. The Cherry St. country all of them took breakfast together Sat. morn. the first time in months, but suffice it still on that. Yrs Sam. H. Cheyney — Ever yours father, W. J. Cheyney
